

CHIPMUNK CHATTER

WAWENOCK GOLF CLUB IS OPEN!! Even though the weather has not cooperated. We officially opened April 27, walking only at this time. We will start letting carts out as soon as Mother Nature decides to let the sun shine for a few days,in a row. The range and practice are open, and players anxious to start swinging the clubs after the long winter have taken advantage. We have been busy stocking the Pro Shop and are excited to be offering our members and guests a selection of athletic clothing and golf accessories from brands like Antigua, Greg Norman, Monterey Club, and Titleist. We are proud to be partnering this year with Tori Anna Designs, from Wiscasset, offering a selection of totes and purses from her line!

Wawenock Golf Course will be participating in **International Woman's Golf Day, Tuesday June 4**. This a world wide event encouraging woman, no matter what age or skill level, to come to get out and golf! There will be 2 hours of golf; a 1 hour clinic with our Pro, RJ Ochs, from 3-4, then time to practice on the range or practice green. The other option is to bring your friends and get out and play a scramble on the course. Golf is free, and there will be a discounted rate on carts. Golf will be followed by a social hour, or 2, in the White Owl Restaurant.

PGA Jr. League – for children 13 and under, to help players learn the game, build confidence, encourage mentorship, and promote sportsmanship. Parents are encouraged to participate as coaches. This will involve approximately 2 hours of practice each week, and team matches. FMI, and to register a player please go to www.PGAJrleague.com 

WHITE OWL AT WAWENOCK – We are pleased to welcome Jill, Kim, Domenic, and Grace who will be the proprietors of the White Owl Restaurant, a full service restaurant, here at Wawenock, this summer. They will be offering a lunch menu, happy hours, and special social events, all with an Italian flair! The plan is open initially with a limited menu starting May.....stay tuned for more information!
