

CHIPMUNK CHATTER

KIDS, KIDS, KIDS!! A big part of our mission at Wawenock has always been about supporting our young players; fostering their interest in golf and providing the opportunity for children to learn the game. That's what's going on this week at Wawenock! The first of our **FREE** Jr. Clinics started this morning, with approximately 9 kids attending. This clinic will run Tuesday through Thursday morning, 9-10 AM, other clinic dates are July 16-18, and August 6-8. Do have a child that is interested in golf? These clinics are a good introduction to the game.....and they are **FREE!** Call the Pro Shop at 563-3938 to sign up.

.....and speaking of kids.....our **PGA Jr. League, "The Chippers"** have been busy working on their games. Our team gear arrived and, Thanks to a very generous donation from an anonymous donor, we are able to provide each player, this year, and into the future, with a brand new set of clubs! The team got to try them out this morning as we "hit" the course, and played a couple of holes. Our first match is this Sunday, against Martindale. **"GO CHIPPERS!"** Again, Thank you to our donor, coaches and parents for all your support!

Greg reports the geese are no longer a menace, we only have 5 remaining on the course, and the beavers are cooperating! The pond on the 4th hole is within it's banks! The course is drying out, (finally!) and we have upgraded carts to the **90 degree rule**; which means "a golfer is suppose to drive their cart along the cart path, or rough, until the cart has reached a point where a 90 degree turn would cause the cart to drive laterally across the fairway directly to the ball." Please exit the fairways/rough at approximately 30' from the green to the path or roped areas, No cart should be brought up the fringe/apron of the green. If you have mobility issues, please let the staff know at the time of check in.

Plans are underway for our annual **"Summer Celebration" Saturday August 3**. This event is open to the public! We celebrate summer with our Member/Guest" Tournament, a social scramble, and a lobster bake with live music and fireworks! For more information, or sign up, please stop by, or call the Pro Shop!

The Monday Ladies League played for low putts on Monday, July 1 since the greens were probably the driest part of the course. First place honors went to Elizabeth Ireland who also had a chip-in on Hole #1. Second place honors went to Barb Ikalanian.

The Wednesday Morning League played Wednesday, July 3rd. The team of Matt Eldridge and Steve Curtis had lowest Net Best Ball with a score of 28. Second Place was a tie between the teams of Tom Curtis and Allen Ikalainen, and, Link Page and Peter Davidson with a Net 30. Closest to the Pin on hole 6, 3rd shot was won by Blaine Schwabe with a Birdie! Lowest Putts went to Geoff Chick and Charlie Hughes with 12 putts.
