

CHIPMUNK CHATTER

Here we are middle of July, and the heat is on! It's a rare day when we don't have a breeze on the course, but on days of extreme heat we can't stress enough the importance of hydrating. If you watch the Pro's, when they play in the warm temps they are hydrating, a lot, after each hole. Just to note there is water on the course, two coolers located in the shade near the 7th tee. Using a cool towel around your neck also helps to cool and we do sell "Artic Radwear" cooling towels in the Pro Shop, when temperature goes up, the price goes down! Stay safe out there!

The grounds crew will be replacing the 5th tee, work will take place over the next 2-3 weeks, so the if you play the white tees, they will be temporarily moved over to the 14th tee box, with the blue tees.

PGA Jr. League activities proceed, we're seeing a lot of improvement in the kids play, but also in their understanding of the game and it's rules. Our match, which was scheduled for Sunday, was postponed due to the heat. Our next 2 matches will be here, at home, taking place the next 2 Sunday's at 3:00PM.

Lions/Rotary Club Tournament is this Saturday 7/27, 8:00 AM Shotgun. The course will be closed until 2:00 PM, then tee times will open back up. They still have a couple open spots, if you would like to play or FMI please call Sam at 563-8442.
