

## **WAWENOCK MEN'S MORNING LEAGUE**

**The purpose of the Men's Morning League is to provide a rewarding experience of good golf and camaraderie.**

### **Format of League:**

All players are required to have a GHIN through the USGA. The cost is \$30.00. This enables all handicaps to be in real time each week and all score cards will be generated each week by the Golf Genius software.

All players will play from the red or yellow tees on alternate weeks.

Play will be with two-man teams.

Play is weekly, Wednesday at 8:00 AM from June 17-August 19 with a shotgun start.

There will be a foursome on hole #1, two foursomes on hole #9 and one foursome on holes #8,7,6,etc.

The fee of \$50.00 will include all prizes and the awards luncheon on the final day of play.

### **Competition:**

Lowest net score for each team.

Lowest number of putts by an individual on each team.

Closest to the line for each player.

### **Rules:**

Each team will receive an official scorecard with their handicaps on it. Please fill out your card completely and return it to the Golf Shop.

All league scores will be posted through the Golf Genius system used by the Golf Shop. Players will not post their own league scores. This will improve the accuracy and quality of the postings related to league play.

All scores should be entered for handicap purposes, with the golf staff entering your 9-hole league score.

All putts must be holed out.

You are allowed to roll your ball over on the fairway and to fluff it up when in the rough.

Thunder and/or lightening will immediately suspend play, mark the position of the ball and return to the clubhouse.

In case of inclement weather, unplayable or potentially unsafe conditions, additional weeks will be added (up to 2) to the end of the season, through the end of August.

The Golf Shop will make the decision whether to extend play due to inclement weather.

### **Scoring:**

Team net scores will be recorded and ranked from first, second, third, etc. on a weekly and cumulative basis.

Similarly, low putts will be recorded and posted weekly.

Closest to the line winner will be posted weekly.

### **Payout:**

Pro Shop credits and sleeves of balls will be presented at the award luncheon upon conclusion of league play.

**MAY THE COURSE BE WITH YOU!**
